Everything is possible. Follow your heart, dig in deep and go. If you are running your business with passion, it will show.

What do you like best about owning a business?

I work when I am inspired. I earn my living doing what I love most and bring colour and magic into people's lives.

Who is your role model or mentor?

The sea. It's always moving, both constant and taking new shapes and forms. It symbolizes freedom and possibility, connecting places and touching souls.

What is your motto or theme song?
